Communication:

If you have not done so, please download Band App to your smart phone and create an account. We will communicate through this app. The app will ask if your child is attending practices and games. Please respond to these apps in a timely manner.

Attendance is very important. All players are required to attend a certain number of practices throughout the season with and without pads in order to play in games. If your player is going to miss practice, please let the coach know and respond in the Band App

All Division rules and regulations are set by OCYFL and can be found on their website: <http://www.ocyflny.org>

We are looking forward to an amazing season! If you have any questions, please do not hesitate to reach out.
