

U8 Soccer Skills Clinics on March 18 and 25

Get ready for the Spring 2023 soccer season!

South Fayette Soccer Association will be hosting 2 preseason skills clinics, run by Pittsburgh Soccer Academy (PSA), for U8 boys and girls.

When:

Saturday, March 18, 2023

Saturday, March 25, 2023

Who:

All registered U8 soccer players (**boys and girls with birth years 2015 or 2016**) are invited to attend EITHER or BOTH days.

Please register each child attending the skills clinic here: [U8 Skills Clinic Registration Form](#) (no deadline to register)

In-House and Travel coaches (of all ages) are also invited to attend in order to learn drills for practices. Each day is a separate and distinct session, with different drills used at each. Drill documentation and video will be available after sessions.

Time:

U8 boys: 10:00 to 11:30am

U8 girls: 11:45 to 1:15pm

Please arrive 15 min prior to session to check in and be assigned to a group

Where:

Preservation Park Field A (175 Triple Tree Lane Oakdale PA 15071)

Bring:

All players must wear shin guards, bring a size 3 soccer ball (with a name on it) and a drink. Soccer cleats are highly recommended. Please dress your child appropriately for the weather and for physical activity.

Notes:

- This is not a tryout or evaluation, and it is not mandatory. It is a complimentary skills camp offered by South Fayette Soccer Association intended to prepare players and coaches for the upcoming season.

- Parents must be present for the entire session but should remain on the paved track or fence area, outside the designated field sections
- Parents should please avoid "coaching" kids from the sidelines during these sessions. The stations are meant to teach proper skills and are not about winning or losing.
- SFSA car magnets will be available at the skills clinic for \$5 (cash) each!
