

Get ready for the Spring 2023 soccer season!

The Spring 2023 soccer season is just around the corner! South Fayette Soccer Association has been busy preparing for the season.

Attention: We still do not have enough in-house coaches which delays formation of teams, assignment of practice days, and scheduling games. Coach volunteers can typically choose their practice day (if available). The U8 soccer skills clinics are offered at the beginning of the season to give coaches a head start in creating drills for their teams. If we do not get enough coaches, we may have to cancel teams. Please consider volunteering!

Here is a list of key dates for the IN HOUSE program as we approach the start of the season.

- Volunteers to be coaches (head and assistant) for In House Teams (U6-U12)
- Volunteers to paint lines on fields
- Volunteers to be part of our Board of Directors as coordinators and to take on other volunteer positions

If you have interest in any volunteer positions with the organization or have any questions, please contact us at southfayettesoccer@gmail.com or click on the SFSA logo below.
