- Click here for more information about the [travel evaluation](#) or [team formation](#) process.

**Please Note:** EVALUATIONS ARE MANDATORY FOR TRAVEL SOCCER.

If your child is going to play Travel soccer in the upcoming Fall or Spring (a year away), they MUST attend at least one of these evaluations (there will not be separate evaluations before the Spring season). A player will NOT be permitted to play Travel soccer without attending a minimum of one evaluation.

Evaluations are very important and are used to place children on a team fitting their skill level. While attendance at only one evaluation session is required, attendance at 2 or more is highly recommended in an attempt to most accurately gauge the player's skill level to place them on the correct team.

The evaluation is NOT registration. All players must still complete the SFSA registration process during the month of May 2023. Click on Login or Register from [southfayettesoccer.org](https://southfayettesoccer.org).

All travel players must also have a SFSA travel uniform (purchased for 2022-2023 seasons or after.) See the [Travel Uniform page](#) for more info.
