## Youth Tackle Football and Cheerleading

### 5<sup>th</sup> Grade – 8<sup>th</sup> Grade

Consider supporting the MFJPF program, aimed at fostering comprehensive skill sets for football enthusiasts that extend far beyond the field. Our initiative prioritizes not only the rigorous training essential for high school football team eligibility but also cultivates enduring qualities such as perseverance, work ethic, and character. These invaluable attributes serve as the cornerstone for facing life's most daunting obstacles and nurturing future leaders. Your sponsorship will play a pivotal role in ensuring the program's success by providing essential resources, including Guardian Caps for all participants. These caps offer an added layer of protection, proven to mitigate the risk of concussions, safeguarding the well-being of our players as they pursue their passion for the game. Join us in empowering the next generation of athletes to thrive both on and off the field.
