WEST COVINA AMERICAN LITTLE LEAGUE

1. Arrive to the field at least 15 minutes early with 2 pencils (with erasers) & pick up the scorebook from the snack bar.
2. Introduce yourself to the umpire and collect the original lineup cards from both managers.
3. Situate yourself near the umpire so you two may easily communicate.
4. Transfer lineups to the scorebook. Record at least the first and last name, uniform number, and position. Also indicate the Home and Visiting teams.
5. During the game, record **Pitches**, **Runs**, **Outs**, **Balls**, and **Strikes**. If you're doing all this, then your **PROBS** doing it right.
6. After the game, write the winning team and the score in large letters on a blank portion of the page.

OTHER THINGS

- Feel free to call a time-out to ask an umpire to clarify a call.
- Little League has very specific rules on the number of pitches a pitcher can pitch, it is important to note the ending pitch count of each pitcher in the scorebook.
- You have a very important job, so try and block out distractions from the crowd and remain neutral.
- Each manager is responsible for having his/her own team scorekeeper to report batting-out-of-turn, pitch counts, and ensuring players receive their mandatory play (2 defensive innings and 1 at bat).
- Record offensive substitutions and defensive substitutions involving benched players, pitchers, and catchers.

You're **PROBS** doing it right if you're recording
