

CYSA 2023 Sponsorship

t-ball | baseball | softball | basketball
volleyball | wrestling | cheer | football

Concrete Youth Sports Association first and foremost aspires to **HELP KIDS PLAY**. But it's so much more than playing. We strive to provide a high-quality sports experience to help all youth, regardless of income or ability, develop sound character and values that will help them succeed throughout the rest of their lives. By encouraging positive coaching, superior role models, a fun culture at both practices and games, life lessons, and a place where youth feel like an important part of the team regardless of their individual performance, we aim to set our youth up for limitless success both on and off the playing field.

Concrete Youth Sports Association will have over 200 children participate throughout the year in the various sports programs provided, including over 100 game/meet/tournament/special events. We know you dearly value our small town and the youth that are its future. That's why we need your support! Your sponsorship enables us to minimize registration fees for our families and provide scholarships for those that need them most, to repair/replace equipment, and to maintain safe playing areas.

In accordance with the Internal Revenue Service Code section 501(c)(3), CYSA is recognized as a non-profit organization as described in 509(a)(2). Donors are encouraged to consult their CPA with regards to deducting contributions to CYSA as provided in section 170 of the code. Our EIN Number is 87-1511088.

There are three sponsorship levels available. As a sponsor, you will receive the following benefits from CYSA. Please indicate your desired sponsorship level on the back side of this form.
