My name is Noah Friery and I am 13 years old. My favorite sport is basketball. I work on my game throughout the entire year. I take pride in my court vision, passing, team play and shooting. In my spare time, I like to play video games, hoops outside or spike ball with my friends. My favorite place to eat is Swenson's but I also love seafood and steak. In school, I am in honors math and honors language arts. I am a huge Cleveland sports fan. My favorite NFL team is the Browns and my favorite NBA team is the Cavs. My parents both graduated from the University of Notre Dame and the Fighting Irish are my favorite college team. I also like to go on vacation with my family and we especially enjoy Marco Island, Florida. I'm in 3 fantasy football leagues and my friends call me Frenchy.
