## 2026 Season

---

Neighbors & Potential Partners,

Palmetto Little League is a non-profit little league baseball and softball organization that has proudly provided coaching and guidance to boys and girls in our community since 1983. Along with our yearly spring and fall seasons of baseball and softball, we've also hosted tournaments and instructional opportunities to over 200 young athletes in recent years.

As we prepare to start our Spring 2026 Season, our goal is to keep our registration fees as low as possible, so that *every* child has the opportunity to play. This would not be possible without the support of our community. Every sponsor is important to our league, ensuring all funds raised cover the cost of uniforms, equipment, utilities, trophies, umpires and other costs associated with running the league.

Your generous sponsorships and donations help get our youth on the ball field; It's there they learn the love of the game, and valuable life lessons along the way. The more neighbors we partner with, the lower the cost to our families and the more scholarships we can provide to families in need.

We hope you will join us as a part of our sponsorship community. Attached you will find a copy of our sponsorship packages and options. There is also an online form available at <https://form.jotform.com/253237778262061>. Feel free to contact us with any questions you may have. Please respond by **January 18th**, to ensure your team name is included in the uniform order and our banners are ordered well in advance of opening day.

On behalf of myself and the Board, thank you again for your support and commitment to our league.

Sincerely,

Trevor Greene, *President*
