2023 ALL ALL-STARS COMMITMENT LETTER 9-10, 11, 11-12, 13-14 YEAR OLDS TEAM

April 26, 2023

Dear Parents,

ALL would like all prospective All-Star parents to understand the points outlined in the parents letter to better prepare them for a fun and successful All-Star experience, and to allow them to make an informed decision regarding their player to be considered for selection to the team. If selected, missed practices will not be allowed except for the policy which allows players / families up to three (3) excused practices for the complete AS season for unusual circumstances. Experience has proven that the commitment is too great for all concerned to operate an All-Star team any other way. Therefore, if you have planned family vacations, summer camps, etc. that will conflict with the team's schedule, beyond the allowable excused absences, then consideration should be given to not commit to this program. If you understand the commitment and you want your player to be considered for the All-Star team, this signed form (from the parents) will be given to their team Managers by 7:00 pm Friday May 19th, who will then provide them to Todd White, ALL President, Erik Forster, Vice President and Abby Green, All Star Coordinator (dodgertodd1@gmail.com , eriksenior@msn.com , academyallstarcoordinator@gmail.com no later than 7:00 pm on Saturday, May 20th. **Late turn-in of signed nomination letters will not be accepted and will prevent a player the opportunity to be an All Star.**

Sincerely,

ALL Board of Directors

Player / Parent Commitment – sign and return
