

Sponsorships at the Park

Thank you for generously supporting our park over the years. As you may know, the city is only responsible for maintaining the bathrooms, sidewalks, and small green spaces around the park. Murphey Candler Baseball is responsible for maintaining the playing fields, batting cages, bullpens, pitching machines, turf covers, scoreboards, etc. It is a big undertaking to keep our park running! We strive to provide top-notch field conditions for our players' safety and experience.

Last year, our main goal was to replace the broken scoreboards. We raised over \$85K, most of which was spent on the scoreboards, but the remaining funds were used to help with other immediate needs (see chart below). The Majors, AAA, and F-14 scoreboards were all replaced in 2022, and the remaining scoreboards will be replaced this year.

We are committed to growing and shaping our park to be the best (and safest) in the city. This is only possible with your continued support, and we have several sponsorship opportunities available. Please read more about the options to donate under the Sponsor tab on the MCB website. Additionally, the annual golf tournament fundraiser will take place on **April 17th at Echelon Golf Club**. (Additional information about the tournament can also be found on the website.)

Thank you for your personal and corporate support of our park! If you have any questions, please email mcbb.sponsor@gmail.com.
