

January 2026

## Hello YALL Families, Community Partners, and Friends of Baseball & Softball,

As we look ahead to a brand-new season of Little League, we are excited to welcome returning families and greet those joining us for the first time. Since 1953, the **Ypsi-Arbor American Little League (YALL)** has been a place where children learn the game, build confidence, make friends, and discover the joy of playing in a supportive community. We are proud to be Michigan's oldest Little League and the first in the world to open baseball to female athletes - a legacy of inclusion we continue to honor each year.

**This past season brought tremendous growth and meaningful improvements**, thanks to the ongoing generosity of our sponsors and supporters. With your dedication, we were able to award **numerous scholarships**, ensuring that every child who wished to play had a place on the field. We also provided a **50% reduction in All-Star fees**, helping ease costs for families whose players earned the opportunity to compete at a higher level. Some additional exciting news, both our Minor and Major baseball All Star teams won the District championship and went on to compete at the state level! A special thank you to our wonderful sponsor who treated these teams to an **Ice Cream Social!**

This year, all of our fields received mini-makeovers, refreshing the spaces where our players practice, learn, and shine! In addition, we invested in **new maintenance equipment** to support long-term improvements and keep our facilities safe, playable and welcoming.

**Thanks to a generous donation, every YALL player was invited to attend a special baseball camp at the University of Michigan, where they trained alongside collegiate athletes.** We were even able to extend this opportunity to our neighboring Little League, giving even more kids the chance to experience this unforgettable event.

Sponsorships continue to remain a vital part of our league's operations. Contributions help fund uniforms, equipment, field maintenance, and important player support like scholarships. At YALL, we believe **every child** deserves the chance to play, and we proudly stand by our commitment that **no player will be turned away due to financial hardship.**

Sponsoring YALL provides visibility across our website, Facebook page, player uniforms and field signage at our three park locations. These banners remain in place from April through October. More details are included in the attached sponsorship guide.

The continued support of our families, local businesses, and community organizations makes everything we do possible. Whether through financial contributions, volunteering, or in-kind donations, your involvement has a lasting impact on our players and our mission.

Thank you for your time, support, and belief in what YALL brings to our community. We look forward to another great season ahead.

**Play Ball!**

Nicole Wimmert
