

SOUND FOOTBALL CLUB: 2024-2025 Financial Aid

Application

Sound Football Club (Sound FC) grants financial aid based on families' financial need. Our intent is to make sure that income level is not a barrier in access to the ability to play Premier soccer.

Sound FC financial aid is open to all players in need. Sound FC does not discriminate based on age, sex, sexual orientation, race, or religion. Sound FC does not use financial aid as a recruiting tool for specific teams. Financial aid is awarded on an annual basis.

Players must reapply for financial aid every year they are in the program.

Sound FC has limited financial aid available and therefore we want to make sure that the financial aid recipients understand the responsibilities involved in accepting aid and an offer to play with a Sound FC team. Players who are provided financial aid are expected to meet the club-wide player expectations: play hard, make all club events, practices, and games, and contribute to the team. Failure to fulfill the club and coach's expectations and make payments on time can lead to a revoking of financial aid. This will be decided on a case-by-case basis by the Sound FC and NYSA Financial Aid Committee.

The Sound FC financial aid reduces the total club fees for qualifying players. Players who live in households with incomes 200% or less of the Federal Poverty Level qualify for a reduced club fee.

The club fee can be paid in full at the time of registration or with an auto payment plan over multiple monthly installments.

The club fee includes RCL league fees. Each player can expect to pay an additional \$200-\$800+ in team fees to cover specific team expenses like tournament fees and team travel expenses. The higher figure is for teams who travel to out-of-state tournaments.

A uniform must also be purchased for approximately \$400+. Uniforms are purchased through a third-party vendor and must be paid for at the time of purchase. Financial assistance may also be available to help reduce the cost of a player's uniform purchase.

If your family is awarded financial assistance, it will **NOT** cover all the expenses related to premier soccer. You are expected to meet with your Team Treasurer to develop a payment plan for team expenses for tournaments, travel, additional miscellaneous fees, etc.

Please note: If you are a returning Sound FC family, your previous year's balance must be paid in full, for your current application to be considered or accepted.

Instructions

Please use the Income Eligibility Chart on the next page as a guideline to determine whether you may be eligible for Sound FC financial aid. In cases of hardship or unexpected events, an appeal can be made to the Sound FC and NYSA Financial Aid Committee for assistance or waiver of a portion of any fees.
