Vice President, Finance (Dave Palascak)

- We have approx. 12k in sponsorship invoices outstanding. Going to escalate to phone calls and site visits (where possible) if not paid this month.
- Going to work with bank to switch the new business savings account that will pay 4x interest and not require any withdrawal requirements that would be present on the CD. The interest difference is less than 1 percent, so I think the flexibility outweighs the benefit and it does not require any new paperwork or account opening.
- We have had more equipment purchases this year for various reasons. All warranted.
- Insurance 2024 renewal was later than normal and occurred in January 2025.
- We stocked up on uniforms and hats which should reduce expenses in fall and next spring. (Boxes)
