Silverada Little League believes in the power of youth baseball to teach life lessons that build stronger individuals and communities.

Silverada Little League is a community-based organization that presents families the opportunity to play youth baseball in Dayton, Nevada. For over 50 years, our league has allowed hundreds of children ages 4-17 to learn and participate in one of the greatest pastimes of our country.

Silverada is a chartered member of Little League International and operates as a 501c(3) non-profit, EIN#88-0326619. It is operated solely by volunteers from our local community.

Silverada Sponsorship comes in many forms. Please take time to look over the four tiers of donation opportunities below and contact us if there is one that fits well with you or your business.
