

YOUTH PARADE INFORMATION SHEET

CONGRATULATIONS! Your group has earned the opportunity to participate in the pregame parade around the Warning Track of Coors Field. Please give the following information to every team and every player participating in the parade.

WHEN & WHERE:

- Please arrive **1.5-2 hours prior to game time**.
- The parade will begin moving towards the field **1 hour prior to game time**. Late arrivals will not be able to participate.
- Gates A & E open 2 hours prior to game time and all other gates open 1.5 hours prior to game time.
- Please go to the parade meeting location on the right field ramps near **Gate B, Section 110, and the Sandlot Brewery**.

PARADE LOGISTICS:

- Each ramp will be labeled with staging area signs to help team leaders direct players and families in finding their team. We **strongly recommend** that each team creates a sign for identification as there will be many teams. No sticks or balloons please.
- We ask that all parents vacate the staging area once their child is placed with their coach due to limited space.
- **Family members are permitted to watch the parade from the front rows of the lower level regardless of ticket location.**
- Only two coaches will be allowed in the parade per team. All other coaches, parents, siblings, etc. must view the parade from the stands.
- **Parade Exit:** Participants will be escorted up the left field ramps to the main concourse (behind section 146). Teams with upper level tickets may continue up the ramps to meet family members at their seats.

DO'S & DO NOT'S:

- DO wear your team jersey and hat. Participants will only be allowed on-field if they are wearing these items.
- DO give all personal items to parents & family members who are not participating in the parade.
- DO stay on the warning track and follow instructions of Rockies representatives during the parade.
- **Do NOT spit in the staging area! ANYONE CAUGHT SPITTING IN THE STAGING AREA WILL BE REMOVED FROM THE BALLPARK AND THEIR LEAGUE WILL LOSE PARADE PRIVILEGES MOVING FORWARD.**
- **Do NOT ask for autographs or stop for photo opportunities.** You are welcome to bring cameras on the field, but stopping for pictures is disruptive to other groups in the parade and is not permitted.

The pregame parade is a special opportunity for your group to be on Coors Field. We ask that you please adhere to the ceremony guidelines noted above to make this a memorable event for ALL groups participating. Thank You!
