

**Dear Prospective Sponsor,**

**Holly Hills Baseball is a 501(c)3 non-profit organization that is run by an all volunteer board for the Plain Local Community.**

**Holly Hills would like to offer local businesses the opportunity to participate in our sponsorship program. Sponsoring a team not only helps us but will also give your business advertisement to thousands of baseball fans that visit our fields during the season.**

**Without you, our sponsors, many of the opportunities for our children to learn and grow as young baseball players would not be possible. Your sponsorships help us pay for our field maintenance, field equipment, and any repair that we inquire throughout the year. This past November during the high wind and rain storms we were getting we lost a dugout on one of our fields.**

**We realize that we are living in a more difficult time and that financial situations have changed for so many people over the past 3 years. If you do not see a sponsorship package that is ideal for you or your business but still want to help Holly Hills Baseball, please speak with us and let us know and we will make a program to better suit your needs.**

**We thank you in advance for all that you do to help our program continue to be a success.**

**If you would like to speak to someone directly about a CUSTOMIZED SPONSORSHIP PACKAGE, please contact Tiffanie Gillespie at 903-934-0112 or [hollyhillsbaseball13@gmail.com](mailto:hollyhillsbaseball13@gmail.com)**

**Thanks**

**Holly Hills Little League**
