

***\*Thank you for your volunteerism and support of the DYS program. It is our volunteers that make this program possible, your time and effort is greatly appreciated.***

### During your player registration

- You can sign up yourself or a family member.

- You may select either position you are interested in, this can be changed later if you take a different role.
- After you select the position, volunteer as a new or already registered user. If already registered, select the name. If new, the next screen will have you add their information.

- Complete your player registration and submit Coach volunteer sign up.

**If you did NOT sign up during your player registration and want to sign up after**
