

To whom it may concern:

My name is Craig Aragon and I am the head coach and team manager for the Las Vegas Wolfpack Baseball Club. We work with kids from Las Vegas and surrounding areas, ages ranging from 8 - 18 years old. We work on the development of baseball players to advance into either High School or the next level. My hopes are to help these kids advance and develop new skills in baseball by playing in the United States Specialty Sports Association (USSSA) baseball league in Albuquerque, NM. The USSSA baseball league is a developmental league that provides kids the opportunity to hone their skills and play against athletes from throughout the State and Country.

We are seeking assistance in either receiving donations and/or a sponsor(s) to help fund our baseball team for the 2022 baseball season. Any donation will be helpful and extremely appreciated. We hope to be able to raise enough fund to provide these kids with the opportunity to improve their skills, and to help them develop to the next level. We would be looking for donations to help fund the tournament fees, purchase equipment and baseballs. If you have any questions or concerns, please feel free to contact me at 505-469-0011.

Sincerely,
