FCV is holding a U7/U8 Futsal league with games held at the Cassel's Sports Facility in Sterling, starting in January. To get more information, click HERE. Rec Teams

Our goal at FCV Ashburn is to always be improving and looking for ways to provide the best soccer program for our players. For the Spring 2016 season, we are creating a hybrid with the professional trainers you love at FCV Ashburn while also creating a unified team environment. Our professional trainers will continue to lead our technical training sessions. Additionally, we will be asking for parent volunteers to help "coach" our Rec Teams.

Training will start together with our professional trainers - they will lead the technical training and demonstrate the related skills for the respective training session. Coaches will then break into smaller fields with their own teams (with the professional trainers available to assist). Coaches will also be available on game day to help with games and help disseminate any important information to the teams. Teams will be created prior to the start of the season.

Don't be afraid to volunteer! Trainers will always be on site helping the coaches and monitoring the player's progress. We will train our Volunteer Coaches accordingly.

We look forward to ensuring that this unified team environment will provide your players the best training available, while making them feel part of something great!

Emily Fox—Ashburn Soccer Star

Emily Fox, a junior at Stone Bridge High School is living the soccer dream that started here with Ashburn Soccer Club. Royce Brodie, Director of FCV Ashburn Coaching, coached Fox through the 6th grade on his Ashburn Crush team. She is currently playing on FCV's ECNL U18 team under Terry Foley and has now progressed to the national stage on the Women's National U20 team. Scoring her first goal in the US vs. Mexico game last week, she has created a name for herself on the national level. That game resulted in a 2-2 draw, followed by a 6-1 win over Panama. The US plays Haiti today.

As a sophomore, Fox committed to play soccer at UNC. You will certainly see much more of this Ashburn soccer prodigy in the coming years.
