- The first team listed is on the north end of the field, the second team listed is on the south end.
- Scrimmages begin on Monday, Sept 19 (Sept 12 and 16 are practice-only sessions)
- The first 30 min of the session will be practice time, the second 30min will be a scrimmage. The scoreboard clock will count down, scrimmages should begin when the clock reads 30 minutes.
- Pinnies should be used to distinguish teams during the scrimmage. Pinnies are available from the Peninsula College gear bag near the tower area.
- Coaches act as "referees" and should work together to keep the game fair and fun.
- Game format will be 4 v 4 with no goal-keeping or goal guarding. All players should be encouraged to participate fully in the action and move up and down the field.
- EVERY PLAYER SHOULD PLAY AT LEAST 50% OF EACH GAME.
- We will use kick-ins instead of throw-ins. When one team kicks the ball out of bounds, the other team gets a kick-in from the spot where the ball went out. Goal kicks will be taken from the endline near the goal. Corner kicks will be taken from the closest corner.
- On any kick-in, players should be encouraged to move back so that the player kicking the ball in has a chance to get it onto the field.
- The bottom line is to keep the game moving, keep all the kids engaged and encourage them to have fun. The score is not a factor. At this age, everyone wins!
- A million thank yous to our volunteer coaches!!!
