ALL DIVISIONS

Section 1: GENERAL RULES

- A. All girls making practices and games will be required to play at least one (1) complete inning every game.
- B. Catchers must wear USA Softball approved protective equipment at all times, including practices and warm-ups (this includes catchers warming up pitchers). Approved gear for catchers includes mask with throat protector, helmet with earflaps, shin guards that offer protection to the kneecaps, and body protector.
- C. Batter, on-deck batter, base runners, and any Junior Olympic player acting as coaches in the coach's box must wear NOCSAE approved batting helmets at all times, including practices. If any of these are violated, they shall be corrected, and the game continued.
- D. Exposed jewelry, which is judged by the umpire to be dangerous, must be removed and may not be worn during games. Medical alert bracelets or necklaces are not considered jewelry. If worn, they must be taped to the body so as to remain visible.
- E. Make-up games will be scheduled by the Scheduler on the first available date. Once make-up games are rescheduled, they are considered regular league games again. All rules apply to them as before they were rescheduled unless otherwise noted.
- F. Swapping of games, times, and slots will NOT be done by the scheduler strictly for convenience

purposes. However, managers MAY change time slots provided the following are done:

1. ALL affected managers agree.
 2. Division VP is notified.
 3. Scheduler confirms trade.
- G. Games may be canceled for MAJOR school events or any other significant event deemed “just cause” by the BOARD.
- H. No new inning will start after one (1) hour and ten (10) minutes of game time or 7 innings. In case of a tie, teams will play one extra inning using the International Tie Breaker rule. (See Pixie Playing Rules for rules pertaining to that division) If still tied after I.T.B. each team is awarded ½ win.
- I. Play the time limit
- J. Each manager must submit two (2) complete copies of their line-up, which include complete name, number and position of players before game time to the umpire.
- K. The use of all tobacco products including E-Cigs, Vapes, etc. will be prohibited from the ballpark.
- L. Slinging of the bat shall be a judgment call by the umpire.
- M. All protests will be ruled on by the Board of Directors in conjunction with GCUA. A \$10.00 fee must accompany each written protest within 48 hours. Protests should abide with USA SOFTBALL guidelines. Protest must be noted in the scorebook and signed by the umpire and the coach making the protest.
- N. In league play only, the entire roster will bat during the games, if time permits. This includes all girls who are on the roster and make practices and games.
- O. “Free substitution” on defense only is permissible. Substitutes may enter and re-enter the game defensively without restriction. However, batting order may not change.
- P. The team on offense (at bat) may use a courtesy runner (CR) for the pitcher and/or catcher at any time. The catcher and pitcher are identified as those players who actually were playing those positions at the end of the previous half-inning. In the top of the first inning ONLY, the catcher and pitcher are identified as the players listed on the line-up card. Neither the catcher, nor the pitcher is required to leave the game under this rule.

The courtesy runner must be the offensive teams last recorded out. *If a courtesy runner situation arises in the first inning and no outs have been recorded, the courtesy runner will be the last batter listed in the batting order.* If the courtesy runner is on base and it is their turn to bat, then they shall be replaced on base by the last recorded out, other than themselves.

- Q. In the event of an injury in which a girl cannot complete her time at bat, she will be removed from the batting order and “skipped” each time her turn appears in the order. NO OUT will be given. If she is injured while batting and has NOT completed her time at bat, the last girl that made an out will assume her ball and strike count for that time at bat only. (This rule applies when the entire roster is batting and there are no available substitutes) If she is unable to appear for her NEXT scheduled time at bat, she will be declared “ineligible” for the remainder of the game. If injured on base or while on defense, same rules apply.
- R. If a player shows up late for a game, for just reason, she will be added to the line-up as the last player listed on offense.
- S. If a team has eight (8) players or less because of absence or illness, they may pick up enough players from a lower division to field a team up to nine (9) players. This will be allowed provided it does not interfere with regular scheduled games of players to be picked up and the consent of parents is given. Notification must also be given to the pickup player’s manager.

- T. Pick up players may also be loaned by the opposing team at the opposing coach's discretion. Pick up players will only play defense, in this case and will not bat for the opposing team's lineup.
- U. Pick up players are only allowed to play an outfield position (outfield position is defined as behind the Baseline and bat last in the lineup) in either possible choice, R or S.
- V. A fast pitch game may begin with 8 players, but when and if another player arrives, that player must be inserted into the lineup at the last batting position.
- W. Steel cleats will not be allowed on SFGSL fields during league play.

Section 2: REGISTRATION AND DRAFT RULES

- A. Registration and tryout dates will be decided by the Board and announced by the December meeting.
- B. Registration fee must be paid with registration. Deadline for late registration will be prior to draft.
- C. Teams will be listed in inverse order based on the prior year's standings.
 - 1. The last place team will draft first.
 - 2. The second to last place team will draft second.
 - 3. The third to last place team will draft third.
 - 4. etc.
 - 5. etc.
 - 6. The first-place team will draft last.
- D. If a new team is needed and formed, that team will be treated as if it had finished last in the prior year. No new team shall be formed if there are enough returning teams to fill rosters. If two or more teams are "newly" formed, then they will draw for drafting positions. The two or more "newly" formed teams will be placed in the draft order ahead of any returning team.

Example:

- 1. Five returning teams will be placed in INVERSE order and the 1 newly formed team will be placed in the first draft position.
 - 2. Five returning teams will be placed in INVERSE order, the 2 newly formed teams will draw for first and second draft position and placed in that order.
- E. The number of teams will be determined based on the number of players registered and the Draft will consist of THREE parts:
 - 1. "Pre-Draft" = Up to 4 draft picks
 - 1. Manager's pick (submitted to Player Agent prior to the draft)
 - 2. Assistant Coach's pick (submitted to Player Agent prior to the draft)
 - 3 & 4. With the exception of Manager's daughters and "Named" Assistant Coach's daughters, returning players will be inserted in "Pre-Draft" positions 3 and 4 in that order. If there are no returning players, these positions will be filled by alternating picks based on the draft order. ONLY players who tried out can be selected in the "Pre-Draft".
 - 2. "Regular Draft" = Picks five through a pre-determined number of selections. The pre-determined number shall be defined as: Returning players (going back on teams) and players who tried-out divided by the number of teams in that division; rounded down to a whole number. ONLY players who tried out shall be selected in the "Regular Draft". Teams will draft by alternating picks based on the draft order. All players that tried out will be drafted in the "Regular Draft".

“Blind Draft” = usually the last 1 to 2 rounds of the draft. Players who do not return to a team and did not try out, will be selected at this time.

F. Draft Selections

1. “Pre-Draft” position #1, Manager’s Pick:
 - a. Manager’s daughters will automatically be on the team and placed in the Manager’s designated pick in the “Pre-Draft”. If the Manager returns to the team as the “Manager” and their daughter is a returning player, then the daughter will be placed in the designated Manager’s pick.
 - b. If the Manager does not have a daughter on the team, then a granddaughter, niece, aunt, etc. (otherwise commonly known as a family member) of the Manager shall be treated as if that player is a daughter of the Manager.
 - c. If the Manager does not have a family member on the team, then he/she may select a manager’s designee from the list of registered players prior to the draft. If no selection is made prior to the draft, he/she may select their player from all draft eligible players.
 - d. If a manager returns to the team as the “Manager” and their prior year’s designee is a returning player, then the designee will be placed in the designated Manager’s pick.
2. “Pre-Draft” position #2, Assistant Coach’s Pick:
 - a. If an Assistant Coach is not “Named” prior to the “Pre-Draft”, then the Manager can pick a player in that position. The Manager can ONLY choose from the players who tried out.
 - b. If an Assistant Coach is “Named” prior to the draft (must be submitted to Player Agent 24 hours prior to draft), then the Assistant Coach’s daughter will automatically be placed on the team in the designated Assistant Coach’s pick.
 - c. If the Assistant Coach does not have a family member on the team then he/she may select an Assistant Coach’s designee from the list of registered players prior to draft.
 - d. If the prior year’s Manager or Assistant Coach returns to the team as the “Assistant Coach” and their daughter is a returning player, then the daughter will be placed in the designated Assistant Coach’s pick.
3. Sisters: The only time sisters will be separated is at the parent/guardian’s written request.
 - a. A sister of a player already on a team will automatically go to that team. She will be placed in the last position of the “Regular Draft”.
 - b. If 2 sisters are in the draft and 1 is selected, the other will automatically go to that team and be placed in the last position of the “Regular Draft”.
4. Returning players: With the exception of the Manager’s and Assistant Coach’s daughters, the first 2 returning players will be inserted into the “Pre-Draft” positions 3 and 4 in that order. Any other returning players will be inserted into the “Regular Draft” positions, filling in from the last pick to the first pick. If the Manager’s daughter is a returning player, she will be inserted into the “Pre-Draft” Manager’s Pick. If the “Named” Assistant Coach’s daughter is a returning player, she will be inserted into the “Pre-Draft” Assistant Coach’s Pick. As long as the Manager’s pick and Assistant Coach pick are returners to the team, no new assistant

coach can be named while in the current age division. This does NOT apply when changing divisions.

5. Returning players changing teams:

- a. Players who do not wish to return to the prior year's team may do so with or without trying it out.
 1. If the player tries out, she can then be drafted by any team other than the prior year's team in ANY "Pre" or "Regular" draft position.
 2. If the player does not try out, she can only be drafted in the "Blind Draft".

6. Returning players for manager moving up to new age division.

- a. Returning players shall be defined as a player that was on a manager's spring roster for the previous year only.
- b. A returning manager moving up to a new age division will be allowed to return up to 3 total players from their previous year's team. The manager may elect to use all, none, or any combination of their total returning player selections.
- c. With the exception of the Manager's and Assistant Coach's daughters, the first 2 returning players will be inserted into the "Pre-Draft" positions 3 and 4 in that order. The third returning player will be inserted into the "Regular Draft" position 5.
- d. This only applies to previous year's managers moving up and not to assistant coaches moving up and starting their own team.
- e. Returning players must be named and agreed upon in writing before the draft.

With the exception of the catcher, no defensive player may be closer than 27 ½ feet from the batter, until the ball has been hit. Violation of this rule will allow the offensive coach to take the resulting play or advance the batter to the first base. (“HIT BALL” means fair or foul)
- R. A play will be considered dead once the defensive pitcher has control of the ball within the eight (8') foot circle. Should the ball be hit directly back to the defensive pitcher on the ground, and the pitcher chooses to hold the ball in the circle rather than make a play, all runner will be allowed to advance one base.
- S. The defensive pitcher will give the ball to the coach/pitcher at the end of each play.

- T. Defensive players may be positioned by their managers prior to the beginning of each ½ inning. The umpire will determine if a player has been placed in an unsafe position and will not start play until the manager has moved all players to safe playing positions. When fielding nine (9) players, three (3) players must be in the outfield, behind the base path. When fielding ten (10) players, four (4) players must be in the outfield, behind the base path.
- U. There will be free defensive substitutions.
- V. No new inning will start after 55 minutes of play. The 6u game will end when time has run out and the home team has completed its bat, regardless of the score. 8 & Under will play 1 inning of International Tie Breaker. The I.T.B. rule will not apply to 6 & Under Divisions. Those teams competing to a tie will be credited with ½ win.
- W. Run limit per ½ inning will be six runs.
- X. Will have USA Softball umpires.
- Y. In order to protest a game, **at the time of the incident**, you must inform the umpire and the official scorekeeper of the protest. Then a formal protest must be submitted, along with a \$10.00 fee, to the SFGSL Board of Directors within 48 hours of the incident. Protest must be noted in the scorebook and signed by the umpire and the coach making the protest.
