Welcome

Dear ELB Team Parent,

I would like to welcome you to the 2026 season at East Long Beach Pony Baseball (*ELB*) and thank you for volunteering your time. East Long Beach is one of the premier youth baseball leagues in Southern California. The Board of Directors, Managers, Coaches and Team Parents work together to ensure our children have an enriching baseball experience.

The success of the league has and continues to depend on the spirit of volunteerism. I would like to thank each of you for committing your time and talents to your team and the league. Your role as Team Parent is crucial to your team's success. You will be called on to communicate and distribute information from the League to your team, parents, and coaches. Communication is vital.

As the Team Parent Liaison, I will serve as your contact for this upcoming season. My role will be to provide each of you with resources, schedules, policies, guidelines and information that will successfully direct you through this season.

I know with today's demanding schedules, there never seems to be enough time in the day to complete all that is asked of you, so your time and talents are greatly appreciated. Again, thank you again for volunteering. I look forward to working with each of you to make this a wonderfully rewarding season.

Respectfully yours,

Jaime Esquivel

Team Parent Roles and Responsibilities

As Team Parent, you will be asked to perform many tasks in order to assist the team's Manager and Coaches. Of all the things you will be asked to do, nothing is more important than **Communication**. You will be required to communicate with your Team's Manager to determine his or her needs. In the past, team managers have asked the Team Parent to take the lead on contacting parents regarding rain outs, practice days and times, and changes in game schedules.

The next vital part of keeping the season running smoothly is **Delegation**. You have already stepped up to be the parent leader of your team (thank you!), encourage parents to assume smaller roles for the season like putting together the charity event basket or playing walkout songs for players during games. Delegation is key to make it an enjoyable season for yourself and it allows other parents to be involved in the fun of ELB baseball.

You will also be vital source of information for parents and players. It is equally important that you make yourself visible for parents. The goal is to have one person (Team Parent) available to answer any questions and to be the contact person for any administrative issues that may arise.

Please work with the coach/manager for Team Communication application for ease of providing information. For example, communication apps such as GroupMe, a text group, or even Shutterfly are super helpful. This correspondence could include reminders for snacks, clean-up schedules, games, practices and event calendars.

Communication

Communication

One of the first orders of business for a team parent is to work with the manager to set up a form of communication. There are many options including group text, emails or the use of an app. Many team parents prefer to use apps such as GroupMe or Game Changer because they allow you to post your practice and game schedules easily as well as have chat features.

Game Schedule

As a team parent you will be responsible for creating and distributing a Game Schedule for your team. When making the game schedule you should also include the snack list and clean-up assignments.

To retrieve your teams 2026 Game Schedule, you can visit the ELB PONY Website.

Team Roster

A Team Roster should include player names, parent(s) name, contact information and e-mail address. It is also important to include your contact information as well as the team Manager and Coaches. This information should be distributed to each player. The Team Roster enables each parent, coach, and player important communication access.

Team Snacks | Clean-Up Assignments

Team Snack Schedule

Please confirm with all parents before handing out any snacks. All snacks should be prepackaged items.

Snacks can be given out to each player after the games. It is up to parents to determine appropriate snacks. Some suggestions are juice boxes or sports drinks, granola bar, fruit, chips and/or cookies. The ELB Snack Shack will also have team packages available which includes a hot dog and small drink (pricing will be announced shortly). If you or your parents are interested in ordering this package, you must place your order by the 2nd inning of the game and remind the snack bar in the 5th inning or at least 20 minutes prior to the end of the game. It will be the responsibility of the person placing the order to get the drinks and hot dogs to pass out to the players. This is a great idea for games that end around lunch or dinner time.

***There are several stores across Carson Street, near the park (i.e. Walgreens, Smart n Final, Sprouts, and Vons) if a parent forgets to bring snacks on their scheduled day.*

Clean-up

After each and every game, your team/parents will need to make sure that ALL their trash and their children's trash is picked up and placed in the trash cans. You and your parents are responsible for sweeping your entire side of the stands and dugout after each game. This means after every game 8:00 am to 7:30 pm, a parent should be designated and responsible for making sure that your team's area, including the dugout is clean. Let's be courteous to one another and make sure the area is clean for the next game.

ALL parents should help out each game to make the clean-up go faster, but if you assign a Clean-Up parent to each game, they can be the one to get the brooms and dust pans from the equipment bins and make sure that your side is completely clean for the next team.

ELB Snack Shack

Each team will be assigned a week to work the ELB Snack shack during the season. The assignments are random. You will be given ample amount of time to let your parents know when they will be expected to work.

Every parent is responsible for working one snack shack shift per child for the 2026 season. If you have multiple family members on your team, then the parents must work a shift for each child during their designated time for that team.

Reminders:

1. When working your shift, you're not to bring your child or children, this is a working shift.
2. If a parent chooses not to work the shift, they can request a teen sub and their \$100 deposit will be forfeited.
3. If a parent needs to cancel, they need to let us know ASAP as we need to make sure to cover that shift. The sooner they contact us or they can do it on the sign-up Genius app. A 24 hour cancellation is required if possible.
4. If a Parent is 30 minutes late to their shift, their refund will only be \$50. We cover a lot of info before the shift so it is best to be there on time.
5. Teen subs can ONLY be used for inside the snack bar shift
 - Age requirements for inside snack shack 15 ½
 - Age requirements for grill must be 18 or older
6. The parent will receive their \$100 deposit once they have completed their full shift. Your refund will be reimbursed the way it was paid. Example, if you paid with a credit card your deposit will be refunded back to the same account.
7. There will be a paper with your name at the beginning of your shift you must initial and after your shift the same. Please allow 72 hours for the refund. If parents do not show-up for their shift they will not receive the \$100 deposit back.

The Snack shack needs leads. These are the volunteers that help open, close and be on hand as the go to person for every shift. Please let the Snack Bar Director Jasmin Avelar or coordinator Maria know if you are interested.

Totally Optional Fun Baseball Things

Swag

Team swag can be a fun addition to your season and can include things like sports bottles for players, dugout buckets (ideal for Rookie/Shetland players), team t-shirts, bag tags, embroidery on hats, warm ups, a second jersey, etc.

Team Banner

All teams are welcome to hang up a team banner or flag on their side of the stands during their games. You can either make the team banner yourself or use an outside company to make the banner.

Walkout Songs

Creating a list of walkout songs for players is another way to add some excitement to the game. There are walkout song apps or basic playlists that can help.

End of the Season Party

The end of the season party is a great opportunity for the players, families and coaching staff to get together one last time for fun and to show appreciation for coaches and to recognize each player's contribution. You will want to coordinate the collection of monies for food, players, and coach's gifts. The date of the party should be scheduled after play-offs, which are in May. There are many different options for possible party venues. These may include one of the local parks or one of the local pizza restaurants, Straw Hat, Me 'N Eds, Shakey's, Glory Days, etc.

Team Bonding

In addition to the friendships players form on the field, you may want to sprinkle in a few team bonding opportunities throughout the season. Some ideas include a just-for-fun park day, Spring egg hunt after practice, movie night, team BBQ, adults vs. kids game, etc.

Fundraising

If you are considering incorporating any of the above mentioned items into your season, consider fundraising options to lighten the financial load. There are many ways to fundraise for your team including selling Super Bowl squares, creating a home run bucket, dine to donate, etc.

Home Run Bucket

This is usually a coffee can that is creatively decorated with team logo and colors. The can gets passed around whenever a player crosses home plate and each person or family has the chance to donate money (usually .25 cents to \$1.00)

Opening Day

Date: Saturday, February 14, 2026

Contact Person: Dani Sovern / danisovern@gmail.com

All teams will participate and are expected to arrive no later than 10:00 am in FULL uniform. This year we have 700+ children and many more people participating in this event. It is important that you designate a spot to meet before and after the ceremony for the entire team to meet. You will be instructed where to have your team line up. During the ceremony, all the teams, coaches, and players will be introduced and brought out to the Bronco Outfield. We will have the singing of the Star Spangled Banner, a word from our president, and the commencement of the first pitch thrown to start off the 2026 Season.

Following the ceremony, vendors and Long Beach community partners will be setting up booths with fun activities for the kids throughout the rest of the day. Plan to spend the day at the fields enjoying the entertainment and activities with your teammates, friends, and families.

Picture Day

Date: Sunday, February 22, 2026

Contact: Marlena Ludwig / 562-822-0863

Picture Day this year is Sunday, February 22nd. We will again be partnered with Ultimate Exposures. The day will begin at 8:00 am with each team assigned a time slot. Please have your team arrive 15-20 minutes prior to that time so that the day will run smoothly and on time. There will be four photographers so multiple teams will be getting pictures taken at once. Full team pictures will not be done on Make-Up Day so please plan for the team to attend on Picture Day. Each player will receive: 1 Memory Mate, 4 wallets, and 1 player button. Additional photos can be ordered from their website.

Change from previous years: All pictures will be sent directly to the players' home (rather than distributed by ELB). Within two weeks of Picture Day, a link will be sent to the email address that was used to register each player in the league. There will be a button "League Package Voucher Code is Ready to be Redeemed." Upon clicking the link, there will be a prompt to enter a mailing address. This must be done in order to receive league provided pictures (shipment will not be automatic). Through this link additional photos can be ordered.

ELB Charity Event and League Raffle

Date: May 9-10, 2026

Contact: Mirtha De La Torre or Heather Darrow / charitycoordinator@elb@gmail.com

The ELB Charity Event will include a softball tournament and other baseball related events to help raise money for a charity chosen by the ELB Board of Directors. There will also be an Auction/Raffle in which each team picks a theme and the parents either donate items or money to put together a team basket for the raffle. The more creative your team's basket, the more money that can potentially be raised, so put on your thinking caps.

Some baskets donated in the past have been: ***Take Me Out to the Ball Game, Movie Night, Summer Fun, Gardening, Money Baskets, Food Baskets, Casino Night, Gift Card Baskets, etc.*** There have also been big ticket items like bicycles, scooters and electronics. When putting together the basket it is always best to put a visible list of all the items included in the basket.

Potential league raffle will be available as an option to raise money for our charity. More information will be provided closer to the charity event date.

Visit the ELB Pony **website** [HELPFUL LINKS](#) for detailed information about the ELB Charity Event
