As a participant of the "Sylvie Poulin" Rocky Hill Soccer Club Columbus Day Classic, you receive a discount for tickets to the last match of the regular season for Hartford Athletic. Hartford Athletic is looking to make their first playoff appearance since 2020 and secure a potential home playoff match. We need to pack the stadium and give the team all the support that we can!

Of the participating clubs, the club that purchases the most tickets to this match from the tournament will receive a free clinic to be held at the club or Trinity Health Stadium.

Must purchase a minimum of 50 tickets to be eligible
