

At this time, NJF&C has a very limited amount of financial assistance available to our registered players. For Tackle, we offer a payment plan and have extended our Early Bird Discount until June 30th this year to help with payment.

To be considered for aid, you must register and submit your request in writing to [register.njf@gmail.com](mailto:register.njf@gmail.com) by **May 22nd**. Please include the following: a) amount of aid requesting and b) relevant details of current financial hardship.

Please understand, NJF&C is unable to provide aid to everyone requesting it. Aid will be given based on need.

Applications are treated confidentially and decisions should be kept confidential. You will receive a decision on your aid in writing by June 5th. All decisions are final.

**Payment plans are available for Tackle.** During registration, you can choose how much you want to pay at a time. Each time you login, your remaining balance will be displayed. Please note that there is a \$3 service fee for each payment made. To receive the Early Bird discount of \$400, payment must be made in full by **6/30**. Beginning on 7/1 the registration amount will automatically increase to \$500. Any remaining balance must be **paid in full by 7/31** in order to secure the player's place on the team.

Your player's spot on the team is not secure unless your payment has been received in full by the relevant date.
