

W.A.L.L. - Wallkill Area Little League
P.O. Box 386 Wallkill, NY 12589

Dear Future Graduates and Families,

Dec 27, 2017

On behalf of the Wallkill Area Little League, I'm proud to announce that our organization is offering up to four \$300.00 college scholarship awards to student/athletes, who have participated in our program (including Baseball & Softball) and are graduating from Wallkill High School. With today's economy we understand that the increasing cost of a college education can be a hardship for many families and that keeps many students from attending college. **To qualify for this scholarship award a student must meet ALL of the following criteria:**

- be a member of the current graduating class,
- have an overall grade point average of 80 or above,
- have been involved in the Wallkill Area Little League program for a minimum of 5 years,
- be entering College/Trade school in the Fall of 2018.

To apply for this scholarship, complete the attached application and submit it by mail to Wallkill Area Little League at P.O. Box 386 Wallkill, New York 12589, no later than May 4, 2018. No applications will be accepted after this time. All applications received shall be considered by the Wallkill Area Little League, who shall review them and make the selection of the student(s) to be awarded the scholarship money. The scholarship(s) will then be announced to the selected student during the 2018 Scholarship Dinner. The student(s) will at that time receive a notification letter advising them they were selected to receive the scholarship money, and that they must upon receiving their admission or acceptance letter from the college/school they will be attending, submit a copy of that letter to the Wallkill Area Little League for verification, and only then will they be given a check for the amount of \$300.00 payable directly to them. This money can then be used to assist them and their families with their college education.

Our organization can only hope that this small effort on our part will assist you and your family with the rising cost of higher education and also encourage young people to enter into college. We wish you luck with whatever path you choose to follow in your life.

Thank you,

Ed Darrow
