- 18U Baseball - \$120**
- Softball (6U to 18U) - \$65**

Pen Mar Youth League is proud to announce the 2021 season will be the first year of a partnership with the Waynesboro Area School District Baseball team. Through this partnership, the Intermediate and Junior level teams will be taught specifically to compete at the Middle School level, with the possibility of playing Middle School level games during the fall season.

**PMYL will also have in person registrations on the following dates  
PMYL Board Room - Jan 9th, 16th, 23rd, 30th and Feb 6th**

PMYL requires downloading the School Enrollment form if your player is in any baseball division. The School enrollment form, medical form and any background checks for volunteers will be due by Parents night at the latest.

There will be NO paper registrations accepted, all registrations must be done through the website.

Also for 2021 PMYL will be following the Little League guidelines on redrafting all teams. This means we can not promise you will be guaranteed to play for a certain coach or with specific players (siblings in the same division will be the exception to this rule)
