**Dear Community Member,**

As we look ahead to spring, Glens Falls Youth Baseball & Softball Organization (GFYBSO) is already preparing for the 2026 season. Since 1952, GFYBSO has provided a positive, recreational outlet for hundreds of local children through our baseball, softball, and tee ball programs. Each year, we serve approximately 400 players ages 4-13.

Our mission goes beyond the game. GFYBSO is committed to teaching teamwork, accountability, and perseverance while helping young athletes develop strong fundamentals and a lifelong love of the sport. Our volunteer coaches and board members work tirelessly to ensure a safe, supportive, and rewarding experience for every player.

As costs continue to rise for equipment, field maintenance, uniforms, and facility improvements, community sponsorships play a critical role in keeping our programs accessible and affordable for local families. Player registration fees and fundraisers alone cannot fully offset these expenses.

We invite you to support our organization by becoming a **2026 GFYBSO Sponsor**. Your sponsorship directly impacts our ability to provide quality programming while strengthening youth development in our community.

Enclosed you will find our **2026 Sponsorship Opportunities and Invoice**, outlining several ways your business can support GFYBSO. Sponsorships are limited and available on a first-come, first-served basis.

Thank you for your continued support of Glens Falls youth athletics. Together, we can make a lasting difference - one season at a time.

**Sincerely,**  
**Glens Falls Youth Baseball & Softball Organization**  
Board of Directors
