PLAYER DEVELOPMENT CAMP

(AGES 6-14)

We are excited to once again run the MUSC player development camp. The camp is a 3 week intensive program that will provide a structured training environment focused on individual player development. The camp will be challenging, fun and will provide a clear daily progression through its detailed curriculum. All players will work on improving both their technical ability as well as their in game understanding and decision making. This will include as an individual player and as part of a team.

KINDER KICKERS (AGES 4-5)

Through the use of fun, energetic games we will create a friendly learning environment that will focus on balance, flexibility and developing motor skills. Most importantly we will promote friendship and a fun introduction to the sport.

REGISTRATION

Players have the option of registering for 1, 2 or all 3 weeks. Those participating in the full 3 week program will receive a discount at online registration.

Montclair United Soccer Club is a selffunded, charitable, not for profit organization Sponsoring extensive programs of recreational and travel soccer for boys and girls from Montclair and neighboring communities in Northern Essex county, New Jersey.
