Community Engagement Opportunities

August 1

August 10

As we look towards the end of the summer and the children of Westfield heading back to school in mid-August, WYSI will be hosting two wonderful family- and community- focused events. Both provide your businesses the ability to connect with the local community as we look to continue to build upon the vibrant community that we have made it.

The goals of the two events are to:

- ★ provide great community events for Westfield families.
- ★ provide fun Back2School activities for families
- ★ raise money for the WYSI Scholarship Program (Shamrock Open) and travel cross country program (Green Wave One Mile)
