FoDU Tip Sheet for Soccer Equipment Drive

Equipment Details and Organizing Recommendations:

-  **Types of Equipment Accepted:** jerseys (strive for a team set, 10 or more, of the same color and size range), shorts, socks, shin guards, goalie jerseys, goalie gloves, goalie pants, cleats, indoor shoes, sports duffle bags, practice jerseys, cones, ball pumps, warm-ups, jackets, balls (any size), coaches equipment, referee equipment, and soccer t-shirts in good condition.
-  **Types of Equipment Not Accepted:** sweatshirts, sweatpants, clothing unrelated to soccer, clothing items that have irremovable stains, shoes that are torn or falling apart. If you have questionable items please email the FoDU offices to ask whether it is acceptable.
-  **Team Uniforms:** Because we work with partner schools and orphanages we are always in need of team uniforms. The best case scenario is for us to receive 15 to 20 soccer jerseys, shorts and socks in the same size range. These uniforms can be new and/or used. Please know that this is the best case scenario, but not required of your donation.
-  **Soccer Balls:** We accept both new and used soccer balls. We can use any sized balls as the children we work with range in age. Please clean all balls from grass and mud, and deflate all balls prior to packing and shipping.
-  **Cleats and indoor shoes:** We accept both new and used cleats and indoor shoes as long as they are free of tears or rips. Please clean off any mud or dirt prior to packing and shipping and tie cleats and indoor shoes together with shoelaces or rubber band into pairs.
-  **Send clean items only:** Please launder all collected items or specify to your donors that only clean items will be accepted. Please fold socks together in pairs, and ensure that all other clothing items are neatly folded prior to packing and shipping.
