

FLUVANNA YOUTH

Dear Community Member:

Fluvanna Youth Baseball League (FYB) is a non-profit 501 (c) (3) organization. The League’s goal is to provide a platform for local boys and girls to learn and participate in encouragement, respect, sportsmanship and teamwork in a fun and safe environment through learning the game of baseball. Last spring over 250 players participated in the League ranging from ages 4 – 15. Our 9U All-Star team won the District 5 Championship and moved on to the State Tournament. We are extremely appreciative and proud of the work Wade Parrish does with our Buddy Ball program. Buddy Ball is a division designed to allow players with special needs to enjoy America’s Pastime- baseball.

As we prepare for the beginning of another fun season, we are reaching out to community businesses asking for their support in our mission. FYB is run and managed by volunteers. The League is dependent on registration fees, fundraising, concession sales and the generous donations of our community to offset expenses related to field rentals, uniforms, equipment and other operating costs.

The League’s priority for 2018 and beyond is to improve and expand our existing field and facilities at Lion’s Club. Significant strides were made at The Lion’s Club field last year. The outfield fence was moved in to 200’ to accommodate little league play and in the fall the entire infield and outfield was restored. We moved forward with the beginning steps to bring an enclosed batting cage to Lion’s Club during the summer. Please consider a sponsorship to FYB to help aid in the continued development of our facilities and the youth of Fluvanna.
