Once a pitcher is removed from the mound he cannot return to pitch in that game or in the completion of a suspended game, although he may play any other position.
  - 3.6.2. No player can sit more than 1 innings. Everyone must play an infield position in the game. **EXEMPTION:** Safety is the only reason they do not play in the infield and must be submitted to the commissioner of the league before the season starts. Parents can decline that their child plays an infield position. This commissioner must be notified before the season starts. The opposing coach must be notified at the plate meeting.
  - 3.6.3. **PENALTY:** Any team that violates Rule 3.6 will forfeit the game in question.
  - 3.6.4. Assistant coaches are responsible for keeping track of player rotation.
- 3.7. It will be the home team's responsibility to maintain the official score. Once the score has been agreed upon by both coaches, the head coach will be responsible for providing the score to the commissioner or logging on and entering it themselves on the website (procedure will be outlined before season begins).

  - 5.1.4. When an improper batter becomes a runner or is put out, and the defensive team appeals to the umpire before the first pitch to the next batter of either team, or before any play or attempted play, the umpire shall:

  - 5.1.5. When an improper batter becomes a runner or is put out, and a pitch is made to the next batter of either team before an appeal is made, the improper batter thereby becomes the proper batter, and the results of his time at bat become legal.
  - 5.1.6. When the proper batter is called out because he has failed to bat in turn, the next batter shall be the batter whose name follows that of the proper batter thus called out.
  - 5.1.7. When an improper batter becomes a proper batter because no appeal is made before the next pitch, the next batter shall be the batter whose name follows that of such legalized improper batter. The instant an improper batter's actions are legalized, the batting order picks up with the name following that of the legalized improper batter.

- 5.4. Bunting is permitted.

## 6. BASE RUNNING

- 6.1. Leading off is not permitted. Runners may not leave a base until the pitch has crossed home plate or is hit. Runners will be called out and a dead ball will be called if caught leaving the base early.
- 6.2. Base Stealing is only permitted after the ball reaches the catcher's glove or passes the catcher. No base runner may attempt to steal home plate, this is for safety reasons. The catchers are encouraged to throw out the base runner when a base runner attempts to steal a base, and there will be no advancement on overthrows.
  - 6.2.1. At the umpire's discretion, a ball that is controlled by the catcher after a pitch is a dead ball. No Prancing down the third base line. The umpire at his discretion can send the runner on third base back to the base.
- 6.3. If a team is up by 8 runs or more, stealing a base by the winning team is no longer permitted until the deficit is 7 runs or less.
  - 6.3.1 Running on Passed balls is defined as a steal for the purposes of these rules. When leading by an amount that triggers this "no stealing"
- 6.4. Runners may tag up at their own risk on any fly ball, fair or foul, once the ball is caught.
- 6.5. Runners who inadvertently turn toward second after reaching first cannot be tagged out unless in the umpire's judgment they show "intent" to reach second base.
- 6.6. Infield fly rule is **NOT** in effect.
- 6.7. A runner must slide, or give up, or attempt to avoid being tagged while a play is being made on him. No runner will initiate any contact with another player.
  - 6.7.1. "Must Slide" applies only to plays at home plate in the 10u division. If the umpire has determined that there is a play at the plate

and the advancing runner does not attempt to slide, then he/she will be called out.

**PENALTY:** The runner is out, and if the umpire deems such contact is deemed to be flagrant, the offending player will be ejected.

6.8. On a force play, the runner shall slide on the ground in a direct line between the two bases, or away from the fielder, to avoid making contact with, or altering the play of the fielder.

**PENALTY:** With less than two outs, the runner is declared out as well as the batter-runner. Runners shall be returned to the bases they occupied at the time of the pitch. With two outs, the runner shall be declared out and the batter-runner credited with a fielder's choice. Violations result in outs; flagrant violations will result in ejection.

6.9. In the event of an injury, a courtesy runner will be permitted. That runner will be the last player who was called out.

## 7. RUN LIMIT/MERCY RULE

7.1. A team may score a maximum of 5 runs in an inning. When the 5th run crosses the plate, the inning is over, regardless of the number of outs or the positions of runners. ## 10. UMPIRES

10.1. The decision of the umpire is final. Any umpire's decision which involves judgment, such as, but not limited to, whether a batted ball is fair or foul, whether a pitch is a strike or a ball, or whether a runner is safe or out, is final.

10.2. No player, manager, coach or substitute shall object to any such judgment decisions.

It will be the responsibility of the adult accompanying the batter to ensure the batter is not presenting a safety risk to others, and that the batter is sufficiently clear of the playing field so as not to be at risk of injury from a batted/thrown ball.

11.7.2. **EXCEPTION** - A pitcher may warm-up prior to entrance into a game only when accompanied by a manager, other adult coach, or parent who may assist. Only one pitcher may warm-up at a time. 12.2. Anyone who is ejected from a game must immediately leave the area in a sportsmanlike manner before play will resume. An assistant coach may be designated as head coach to resume play. If no other assistant is available, the umpire may designate a parent or player as head coach to resume play.

12.3. Umpires will report all ejections to the Head Umpires and division commissioner who will report it to the Officers and Trustees of Twinsburg Baseball League Inc.

12.4. Anyone ejected from two (2) games during a season must meet with the Officers and Trustees of the League who may consider suspending the individual for the remainder of the season.

## 13. GAME TIMES AND DURATION

13.1. All games are scheduled for **six (6) innings** and will begin within ten (10) minutes of scheduled starting times unless waiting for completion of an earlier game or clearing of inclement weather.

13.2. In the event of a tie, extra innings may be played as the time limit allows.

13.3. A game that is stopped for any reason with less than three and one half (3 ½) innings completed will be a suspended game and will be resumed at a later date from the point at which it was stopped.

13.4. All regular season games will adhere to a strict time limit of 1 Hour 45 minutes.

13.4.1. Time will officially start on the first pitch. This should be noted by the team scorekeepers and announced to both head coaches upon the delivery of the first pitch of the game.

13.4.2. No new inning will be started after the 1 hour 45 minute time limit.

13.4.2.1. An inning will be considered started after the final out of the previous inning is recorded.

13.4.3. If the score is tied after the 2-hour time limit and a new inning cannot be started, the game will be considered a tie.

13.6. **Speed-Up-Rule** - Teams may elect to use a courtesy runner for the catcher of the upcoming inning (after two outs). The replacement runner must be the batter that made the last out. The sole purpose should be to speed up the start of the next inning. The player must be the catcher for the next inning.

13.7. Umpires have at their discretion (after a mutual agreement), the option to stop a game because of darkness, even if the game has not

reached its targeted number of innings played or time slot allowance. For games meeting the minimum number of innings needed (3 ½), if the HOME team is batting and they have scored the go ahead run, they will be declared the winner with the current score. If the game is tied or the HOME team is behind and have not had a chance to complete their at-bat, the game will revert back to the last complete inning. Otherwise, the game will be treated as a suspended game (13.3).

14.3.3. The written protest must be accompanied by a Twenty-five dollar (\$25) cash deposit to be considered valid. The deposit will be returned only if the protest is upheld.

14.3.4. All valid protests will receive a hearing with the division commissioner, the Head Umpire and the Officers and Trustees of the League.

#### 15. PROCEDURES

##### 15.1. Lightning and Inclement Weather Policy (OHSAA Policy)

15.1.1. **Recognition** - Coaches, athletic trainers, athletes, administrators, commissioners and contest officials shall be educated regarding the signs indicating thunderstorm development. Since the average distance between successive lightning flashes is approximately two to three miles, ANYTIME that lightning can be seen or heard, the risk is already present. Weather can be monitored using the following methods:

15.1.1.1. **Monitor Weather Patterns** – Be aware of potential thunderstorms by monitoring local weather forecasts the day before and morning of the competition, and by scanning the sky for signs of potential thunderstorm activity. 15.1.1.2. **National Weather Service** – Weather can also be monitored using small, portable weather radios from the NWS. The NWS uses a system of severe storm watches and warnings. A watch indicates conditions are favorable for severe weather to develop in an area; a warning indicates severe weather has been reported in an area, and everyone should take proper precautions. Any thunderstorm poses a risk of injury or death even if it does not meet the criteria for severe weather. Therefore, anytime thunderstorms are in the forecast (even if it is only a 20 percent chance), event organizers shall be at a heightened level of awareness to the potential danger of lightning.

15.1.2. **Evacuation** – If lightning is imminent or a thunderstorm is approaching, all personnel, athletes and spectators shall evacuate to available safe structures or shelters. A list of the closest safe structures should be announced and displayed on placards at all athletic venues.

15.1.3. **THIRTY-MINUTE RULE** – Competition or practice shall be suspended once lightning has been recognized or thunder is heard. It is required to wait at least 30 minutes after the last flash of lightning is witnessed or thunder is heard prior to resuming practice or competition. Given the average rates of thunderstorm travel, the storm should move 10-12 miles away from the area. This significantly reduces the risk of local lightning flashes. **Any subsequent lightning or thunder after the beginning of the 30-minute count shall reset the clock, and another count shall begin.**

##### 15.2. General Weather/Rainouts Guidelines

15.2.1. It is our standard practice to call games on account of weather AT THE FIELD.

15.2.2. Therefore, all players, coaches and parents are expected to go to their appointed field at the appropriate time for their game, regardless of weather conditions.

15.2.3. If conditions permit, we will make every attempt to get scheduled games played.

15.2.4. If conditions do not permit, the game will be canceled and rescheduled.

15.2.5. Occasionally, games will be canceled in advance if a check of the fields determines that it/they are unplayable. Also, if conditions are poor for an extended period during the day on a game day, we will attempt to cancel the game(s) in advance.

15.2.6. When in doubt, show up at the field.

##### 15.3. Canceled Games

15.3.1. If your game is canceled either beforehand or during the game (lightning, rain, unplayable field, etc.), please notify your Commissioner as soon as possible.

15.3.2. The Commissioner will coordinate rescheduling your game.

##### 15.3.3 GAME RESCHEDULE PROCESS FOR COMMISSIONERS IN WYB/CYB

15.3.3.1 Coaches must notify the Commissioner of the league that a game needs to be rescheduled due to a rainout or school function. Missing a couple of players is not a reason to reschedule a game.

- 15.3.3.2 Commissioners must look at the Wadsworth Sports Field Calendar or Cloverleaf Youth Baseball Field Calendar to find out when the next opening is and at what field.  
<https://fields.wadsworthcity.com/reservations/reservations/calendar/>. CYB-  
<https://docs.google.com/spreadsheets/d/1shWV7LpDSPpOgxx1kZXjrX8Aj5xrNXPCyaz6G8UKiBl/edit#gid=259478569>. Remember, games trump practices. If a game is getting scheduled when a practice is scheduled, the teams that were going to have a practice must be notified when this process is completed. If a game is trumping a practice for another baseball organization in Wadsworth, notify them immediately. They must release the field through the City of Wadsworth website. Give them the confirmation to release the field when the game is scheduled with umpires confirmed. Do not have them release the field until everything is confirmed. Someone else could grab the field.
- 15.3.3.3 Once a date is found, contact the Head of Umpires. He will have to get back to you to confirm he has an umpire(s) for that day. Notify the teams that are being rescheduled with the date and time. A team missing their best player is not a reason to try to reschedule the game again. Only a school function is a reason to find another date. If the first date for a reschedule does not work out, find another date and repeat the process from step 2. Notify the team that had the practice and let them know their practice is still a go. If you are taking a practice from an organization outside of WYB/CYB, call them to release the field on the City of Wadsworth calendar or Cloverleaf Youth Baseball calendar.
- 15.3.3.4 Notify the WYB/CYB Scheduler to put it on the City of Wadsworth field calendar.
- 15.3.3.5 Notify the WYB/CYB webmaster to update the website with the new game information.
- 15.3.3.6 If a game is getting rescheduled to another city, that organization will handle the rescheduling if their team was one of the teams playing, but it will still need to be given to our WYB/CYB webmaster to input it on our website. If they cannot find umpires, check with the WYB/CYB head of umpires to see if we can cover it. Make sure to find out if the umpires can travel to another city. If no umpires can cover the game, find another date and start the process over again at step 2.

#### 15.4. Communications

- 15.4.1. During the season, please contact your Commissioner with ANY questions you may have. The Commissioners attend weekly board meetings during the season and are updated on virtually all issues.
- 15.4.2. If you cannot contact your Commissioner, please contact the Trustee responsible for Coaches and Commissioners.

#### 15.5. Playoffs

- 15.5.1. The commissioner will determine the format, number of teams, seeding, etc. for the JUNIORS division. Typically, a single elimination playoff at the end of the regular season with a predetermined number of teams based on the number of teams in the division.
- 15.5.2. Seeding will be based on the final divisional standings determined utilizing winning percentage. The division standings tiebreakers are:
- 15.5.2.1. First – Winning Percentage
  - 15.5.2.2. Second – head-to-head winning percentage
  - 15.5.2.3. Third – Head to head lower runs given up.
  - 15.5.2.4. Fourth – a coin flip
- 15.5.3. Commissioners reserve the right to tweak the playoff format, seeding, etc. if deemed necessary.
- 15.5.4. Commissioners reserve the right to tweak pitching rules for playoffs.
- 15.5.5. The winning coach of each game is responsible for notifying the Commissioner of the outcome of each game.
