

MYBA DRAFT RULES

Players for Coach Pitch/T-ball and 7-8 teams will be assigned by the league commissioners. A Head Coach will be able to select one assistant coach to be on his/her team, and both the coaches will have their own child/children on his/her team. If a coach would like another coach, he will have to draft that coach's child/children. If the coach does not have a child (for example, a grandparent assists), no additional players will be assigned (they will start the draft with just the coaches son).

A formal draft will be conducted by the commissioners of Minor 9-10, Major 11-12, and Major 13-14. The draft will take place after registration closes. All drafts will be supervised by one or more of the MYBA Board Members that are not affiliated with that league. The order of selection of the draft order will be determined randomly and we will adhere to the "Snake Draft", which changes the order of the draft every round. For the example draft, say there are 8 teams with more than 64 players to draft. That will require 9 rounds and here is the order for the teams picking:

<u>Round</u>	<u>Draft Order</u>
1	1, 2, 3, 4, 5, 6, 7, 8
2	8, 7, 6, 5, 4, 3, 2, 1
3	8, 1, 2, 3, 4, 5, 6, 7
4	7, 6, 5, 4, 3, 2, 1, 8
5	7, 8, 1, 2, 3, 4, 5, 6
6	6, 5, 4, 3, 2, 1, 8, 7
7	6, 7, 8, 1, 2, 3, 4, 5
8	5, 4, 3, 2, 1, 8, 7, 6
9	5, 4, 3, 2, 1, 8, 7, 6

The snake rules will be adjusted by the league commissioner for the number of teams or the number of players that are in the draft.

Player ratings that are available from the prior year will be made available to the coaches the day before the draft. Once the draft is completed, all new players that register after the draft will be assigned by the league commissioner, with the teams with fewer players being assigned first.

For ages 15 and older, the commissioner of those leagues will work with the coaches to form the teams.
