Team orders will be processed on a first-come-first-serve basis.

Dodger Day orders must be submitted by the team parent via Google Forms. No individual family orders will be accepted.

### Seating priority: Individual family orders will be seated together.

While it is not guaranteed, we will try to seat families from the same team together. Typically, an entire team will be within the same few seats/rows.

If you have players on multiple teams, please order tickets with the team you would like to sit with.

Group seating is based on block of seats the league receives from The Dodgers.
