Please provide any special instructions below for how the sponsor's name/info should appear on the banner (Home-Run and League Sponsorships):

Is there a sponsor logo or image file to be displayed on the banner?

\_\_\_\_Yes \_\_\_\_No

If yes, please email the file (in "Vector" format) to Jorjana(email above) with the team name, division, and sponsor's name in the subject line. In order to ensure that the banner is printed before opening day, logos must be received by February 17th.

Please keep artwork simple with the business name, logo, phone number and website. This will allow for bigger text on the banner, which is more visible from the gates on the field where the banners are displayed.

Thank you!
