

Thank you for considering a sponsorship with Navy Ortega Lakeshore (NOL) Little League. For more than 65 years, NOL has proudly partnered with Naval Air Station (NAS) Jacksonville to provide affordable, community-focused baseball and softball opportunities to local and military families. Your support helps us continue this tradition while strengthening the connection between youth sports and the communities we serve.

The total estimated impact of NAS Jacksonville to the community, including goods and services, is \$1.8 billion. NAS Jacksonville Executive Officer Captain Michael Connor recently shared, *"This partnership we have with NOL is the oldest and most important partnership we have. Since 1960, NAS Jax has supported this league and the players. We are committed to ensure this partnership continues into the future."* We continue to be grateful for the partnership between NOL and NAS Jax.
