

Letters from Santa Fundraiser

Do you remember when you were little and how excited you were to get mail? What if you had received a personalized letter from Santa Claus?

We want to help create that excitement for the special child/children in your life. Each letter is addressed to your child and will compliment them on an achievement or good deed. Letters will be sent directly to the child and have a postmark from Santa Claus, Indiana. This would make a great gift

for a grandchild, niece, nephew, cousin or any other child in your life.

Each letter is \$5. All profits from the sale of the letters benefit Eagledale Little League and will be applied to the Building Fund to pay for our new roof.

Dear <Recipient Name>:

It's almost Christmas and everyone here at the North Pole is very busy. The elves are putting the finishing touches on the toys and I'm preparing the reindeer and my sleigh for that long trip to <city> on Christmas Eve. I've been talking to <Letter Sender> and I heard you were asking for a <Definite Gift> this year! They were very proud of you for <Recent Accomplishment or Good Deed>. I think that's great!

Please don't forget to leave out some cookies and milk for me on Christmas Eve. I'll really be hungry by the time I get to your <House - Apartment>. You could also leave a snack for the reindeer if you think about it. I've included the recipe for the Magic Reindeer Food that Mrs. Claus makes every year. They work hard and will appreciate any treat. All the reindeer, Mrs. Claus and my whole team of elves wish you a Merry Christmas and a Happy New Year!

Ho! Ho! Ho! Merry Christmas!

Your friend,

Santa Claus

Magic Reindeer Food

1 Cup Rolled Oats

3 Tablespoons Red Colored Sugar

3 Tablespoons Green Colored Sugar

Stir all ingredients 10 times to the right

Saying each time "I do believe";

Make a wish with your eyes closed tight

And sprinkle outside on Christmas Eve!
