

Frequently Asked Questions

How are the kids divided into groups?

-They are generally separated by their grade level they just finished when they are in sessions (Art/Creative arts/Science/Team Building/Sports), but will be intermixed during their free time at the beginning of the camp day, lunch, recess and free time at the end of the day. The campers are identified as to which group they are in by their colored wrist bands which they receive in the morning when they are checked in.

What is the ratio of staff to campers?

-10:1; Each group has a Group Leader who is with their campers the majority of the day, group leaders lead their groups to the Instructors which are the staff who are teaching the specific subject. We also have CTs (Counselors in Training) which are there to help assist the group leaders and instructors.

Are kids out in the sun all day?

No, camper safety is our #1 concern; many of our sessions are covered or are in a shaded area. In case of rain we do have blinds on the Pavilion to create an "enclosed" building. In the event of a strong storm or extreme temperatures the Camp will make every effort to get campers into a facility.

Do you offer early drop off/ late pick up?

-We offer aftercare/early drop off; can be as early as 7:30am-8:45am, late pick up is as late as 3:15pm-4:30pm. There is a fee of \$2 per extension, per child and per day, paid on a weekly basis on the Friday of each week.

Is there refrigeration for lunches?

-No, but most campers bring their packed lunches in "igloo" coolers or any type of thermal cooler bag.

Can parents pay by the day or just by the week?

-At this time the Park is still charging by the week. Your son/daughter doesn't have to attend everyday but the rate is not prorated for only attending partial weeks.

Where do Parents drop off and pick up their campers?

-For campers safety Parents will need to check in their student in the morning and sign them out in the afternoon in the Masters Pavilion (open air pavilion next to the Bocce courts).

What does a camper have to bring with them? We suggest:

- Reusable water bottle
- Lunch in thermal bag or cooler box
- Sun Screen & Bug Spray
- Jacket /hoodie (it tends to be cold in the early morning hours)
- Rain Jacket or Poncho if it looks like rain (we will seek shelter if lightning or thunder are present)
- Comfortable walking shoes
- A book bag with change of clothes if your child is accident prone ☺
- A positive attitude!!

Tips:

- We encourage campers to bring a reusable water bottle to refill on hot days.
- Please dress your child for the Weather as we will be **OUTSIDE** even in light rain
- All campers must be signed in & out each day
- Best time to apply sunscreen & bug spray is before drop off
- Campers are encourage to leave electronics at home!!
