LAKE CENTRAL YOUTH BASKETBALL

2018-2019 Annual Sponsorship Application

When you become a sponsor of Lake Central Youth Basketball, you are not just supporting the development of our community's youth; you are also helping to keep youth sports more affordable. Partnering with us helps foster lifelong skills such as leadership, sportsmanship, teamwork and cooperation in each player. Visit our website: **www.lc-youth-basketball.com**

Additionally, without our generous sponsors, a player's registration fee would increase substantially and many families could not afford to participate. LCYB is a 100% volunteer run organization so we rely heavily on our sponsors to help us provide the safest and most up to date equipment, uniforms, insurance, and trophies.

Your sponsorship makes great business sense! With over **800** players in our organization, your business will get constant, serious exposure. LCYB is a 501(c)3, non- profit organization.
