C. Coaches- Coaches will pitch a MAXIMUM of 4 pitches to each batter. If after 4 pitches the batter has not hit the ball into play, a tee will be provided. In order to expedite game play, Coach Pitchers should start with 4 balls at the pitcher mound and pitch balls consecutively to the batter. After each batter has batted the catcher may throw all 4 balls back to the Coach Pitcher.

- Coaches do not field balls in play, but rather do their best to avoid batted balls and plays in motion.
- A player shall be positioned either behind or to the right of the Coach Pitcher, or even with the Coach Pitcher. No player playing the pitcher position shall be in front of the Coach Pitcher at any time.
- A Coach or other Background Checked Volunteer shall be placed in the catcher position at all times.
- Each team must have two Defensive Coaches in the outfield directing players and providing instruction. Other than the Coach Pitcher, no Coach is permitted to remain in the infield.
