MYAA Volunteer Form

Dear Parents or Guardians

This form must be completed and submitted with a \$100 check payable to MYAA along with your registration form! No exceptions.

MYAA is a non-profit, volunteer organization, which receives modest monetary assistance from the town. Your player fees and the volunteering are the main ingredient to running the organization and its programs.

Baseball and Soccer use the concession stand profits to purchase equipment, provide field maintenance, and to offset operating costs. The loss of profits from having to close the concession stand could have an adverse effect on our program fees. The Requirement is two (2) hours at the concession stand.

Basketball has been added to the volunteer form to help with hall monitoring during the Basketball season. The requirement is one (1) hour shift to walk the hallways and ensure no kids are running or playing the hallway. If they are left unattended, please redirect them back into the gyms.

We understand that not everyone has a lot of free time, but even two (2) hours is a great help. The work is easy and it's a great way to meet the other parents.

In order for this season to be a success, **everyone's** help will be needed. The more you are able to contribute, the more you and the children will benefit. No one ever has enough time to give to a volunteer organization; instead we must make the time.

Your child will not be eligible to play unless this form and a \$100 check are received with the registration form. One form required per family - Your check will be returned after you have volunteered.

Thank you,

MYAA Volunteer Stand Committee
