 - Strategic planning meeting - would like a meeting for strategic planning for 2026
 - Kari Johnson attended a Zoom meeting for Play Metrics. This is the new system Sports Connect will be switching over to Fall of 2026. More of an app. New things we would have liked with SportsConnect now will be an option with Play Metrics.

 - Uniforms for summer competitive - we need to make a decision so we can order them 6 weeks prior to the first tournament in May.
 - The board would like the center big stripe and number removed. No number on shorts. Go with higher quality so families can use the uniforms longer. Included in the package: 1 dark jersey, 1 light

jersey, 1 pair of shorts in navy and 1 pair of navy socks. (Picked #5, #6)

- Numbers will change for all players. Numbers cannot be duplicated in 3 years (ex: 2015, 2014, 2013) due to US Club combining grade years versus birth year and if players move up or down.
- The board would like a sample for the February meeting.
