  - Great season!
  - Finding enough refs for the games is always a struggle, a lot of the refs are also participating in other sports
  - Players sign up but do not commit, teams are short for games and need to borrow from the other team, or play 7v7 instead of 9v9
  - Still looking for a new rec director for the spring 2026 season
  - Field conditions got really rough this year, need to make sure we are giving specifics to the park district as our expectation.
