

# Elmer Little League Stadium Sign & Team Sponsor Application

Dear Little League Family & Friends:

Each year, hundreds of Pittsgrove, Upper Pittsgrove and Elmer children play softball and baseball from midMarch through November as members of our league. This simply would not be possible without the generosity of our sponsors and commitment of our volunteers. We ask you to consider supporting the children of our community with one of these great advertising opportunities!

We write today to ask you to consider supporting the children of our community. Thank you!
