

## Carbondale Junior Sports (CJS) Covid Guidelines

1. **MASKS** Everyone attending CJS games is encouraged to wear masks. Players and officials can take masks off while playing. Players and coaches will be masked in the dugout.
2. **SCREENING** The manager is responsible for performing the required health screening for all players and coaches on his/her roster prior to each practice or game. This process may be delegated to an Assistant Coach or Covid Dugout Monitor. Teams must maintain a list of the players & coaches in attendance, date, time and contact information for all participants and spectators. Teams must be able to provide this information if requested by Jackson County.
3. **COACH LIMIT** Teams are limited to **2 Coaches**. Additionally, teams may have a Covid Dugout Monitor.
4. **WATER & SEEDS** Team water and shared jugs are not allowed. Players must provide their own drinks, including water. No sunflower seeds. No gum. No spitting.
5. **DUGOUTS** Dugouts may only be used for games.
  - The existing dugout and surrounding area will be considered part of the "dugout." Parents, siblings and fans are NOT permitted in the dugout area.
  - Teams are required to clean their dugout of all trash and other items after each game.
  - Prior to each game, the manager will sanitize the dugouts. Teams may not enter the dugout until after this process has been completed.
6. **EQUIPMENT** Each player is strongly encouraged to have his/her own glove and helmet. Any shared equipment (e.g., bats, catchers gear) must be disinfected before/after each use.
7. **GAME BALLS** Each team will be given one new sanitized game ball at the start of the game. Each team should have an additional ball available to be used if needed.
8. **GROUND RULES** will be conducted observing 6-foot social distancing and will include one manager from each team, and the umpire. Players are not permitted at ground rules.
9. **GAME & PRACTICE TIMES** will be staggered to minimize traffic.
10. **ENTERING/EXITING** Please maintain social distancing of 6 feet when entering and exiting the venue. Please do not congregate in the entry and exit areas.
