## Statement of Expectations

MCAA recognizes that participation in athletics can play an important role in a positive educational experience. It is the goal of MCAA that athletes are encouraged to strive for personal growth, achieve the full potential of their abilities, and experience the rewards and responsibilities that arise from the privilege of representing Moon & Crescent Townships.

As you consider this opportunity, please familiarize yourself with this list of expectations:

### *As a Coach –*

Coaches of the MCAA are expected to uphold the aforementioned mission, fulfill position specific responsibilities, and abide by the following guidelines:

- Place the emotional and physical well-being of my players ahead of a personal desire to win
- Lead by example both on and off the field in demonstrating fair play and sportsmanship to all players.
- Remember that I am a youth sports coach and the game is for young athletes not adults.
- Abide, respect and enforce all policies and procedures established by the MCAA organization.
- Respect and provide support for all coaching staff members as well as parent volunteers.
- Exhibit good sportsmanship, self-control and act in a professional manner at all MCAA sponsored games, practices, events and fundraisers.
- Stay informed about what's going on in the organization by attending monthly scheduled MCAA General Membership meetings.

I acknowledge, understand, and adhere to the Moon Crescent Athletic Association Statement of Expectations.
