2023 MSC Senior Scholarships

“My time in Manalapan Soccer Club, which has been most of my life, has helped me understand that my passion does not need to end on the field. I am taking the passion that I developed all of my life and using it to develop my career goals.”

- Jada Goldberg

“The camaraderie built among teammates and coaches has been invaluable in creating a supportive and motivating environment. The bonds formed on the field have extended beyond the game itself, resulting in lasting friendships that have enriched my life.”

- Jacob Avivi

“I started to referee when I was 13. I not only learned the rules of the game, but I learned to respect my mentors. These seasoned referees taught me how to be professional.”

- Ian Farbman

“The Manalapan Soccer Club made my experience playing soccer enjoyable. Instead of feeling pressure, I felt at peace when playing soccer. I saw it as a sanctuary, knowing that I had a positive support system around me, with my best friends by my side.”

- Kathryn Lisi

“I am thankful for the opportunities the club has given me, where I am free to build my character and learn about leadership skills that can aid me in my journey through life, on and off the field.”

- Aaron Griglak

“Throughout my soccer career, I volunteered at all different events- hosted by the Manalapan Soccer Club- and tried to do my part for the community. As I have gotten older, I have been given the opportunity to teach the younger children how to play and I love it.”

- Ashley Uhl

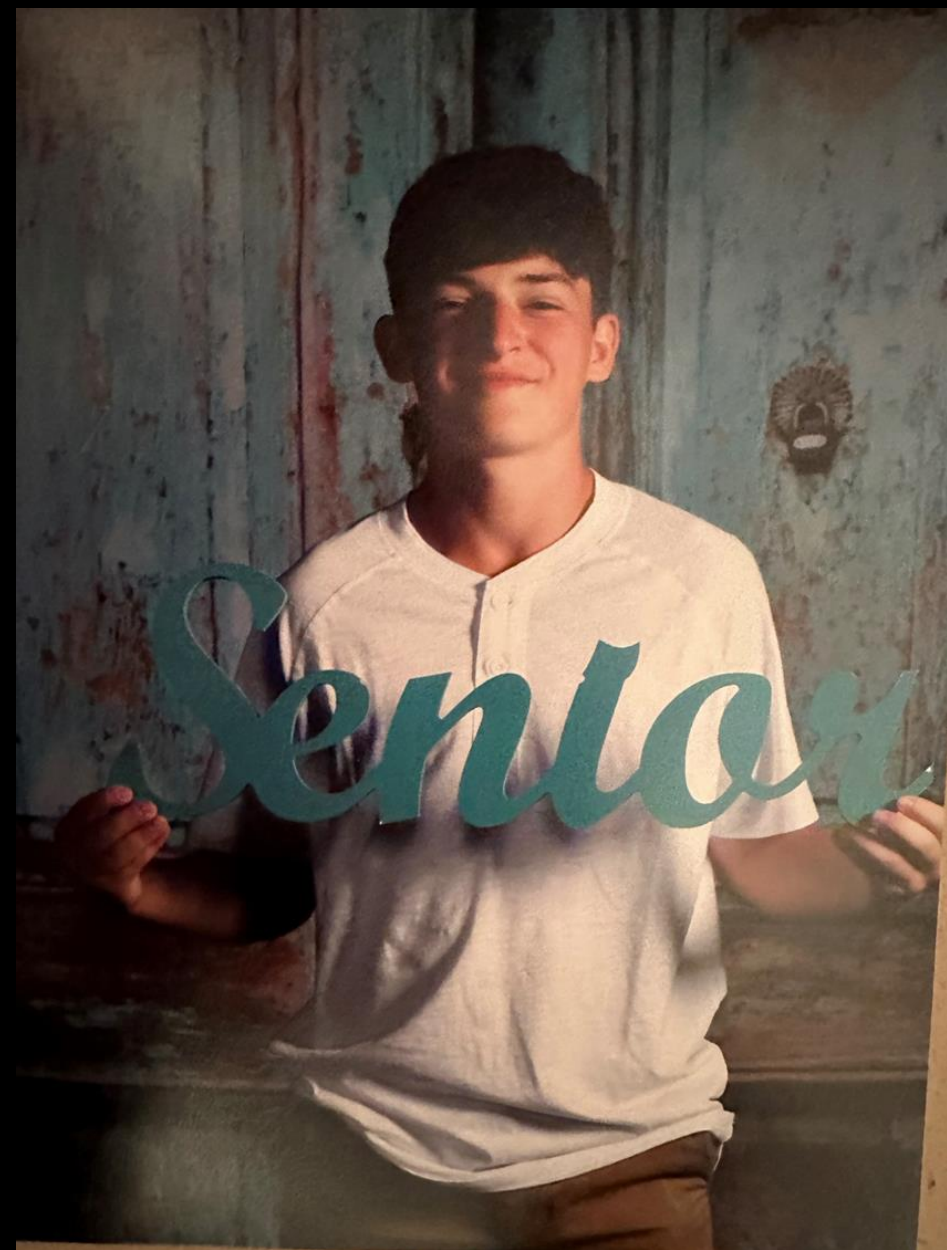

“I found an unlimited amount of happiness through my teammates and coaches. One of my favorite things about soccer is that you get to bring unique skill sets together and form one cohesive team.”

- Sophia Neckin
