APPAREL ORDERS

Frustrated that you don't have your apparel yet! SO ARE WE! Issues beyond our control have us scratching our heads on where our gear is at and when it will be coming in. As the orders are received and sorted we will get them sent out to you! We want to apologize for the delays. Next year we will be using a different company for our apparel and we promise to do better.

EQUIPMENT TURN-IN

As the playoffs progress and teams finish up their seasons, every Monday (10/21) from 6-7pm equipment turn in will happen at the equipment storage building, just south of H.S. practice football field. Parents are to bring ALL equipment they signed out at handout in July (helmet, shoulder pads, practice pant, game pant, and practice jersey). This will occur for the next 3 Mondays, so if you miss 1, attend the following one. Do not worry about washing the equipment as the pants/practice jerseys will be professionally cleaned in the offseason.

VOLUNTEER OPPORTUNITIES

We still have open spots to help out in the concession stand and with the chain crews during our playoff runs. As long as we have home games we will need volunteer help!
