

AUGUST – NEWSLETTER

COMET CARDS

Comet Card money has been coming in pretty steadily over the past few weeks!

- If you have sold all of your cards, please return the numbered envelope to your coach so they can return it to our treasurer!
- If you still have a few cards left to sell, **KEEP SELLING THEM!**
- If you have sold all your cards and think you can still sell more, please reach out to us and we will get you extras!

This Fundraiser can yield our organization over \$10,000 if every card is sold! That goes along way for us to be able to give back to our teams with awesome uniforms, safe equipment and much, much more!

Speaking of more!

SCHEDULES & GAME DAY

As most of you know the start of the season has been pushed back one week and will open up on Saturday, August 31st. The LEYFL scheduler is working hard on finalizing the schedule and as soon as we have it we will get it out, we promise. Please be patient and know that we want to know as much as you do! However with 15+ organizations in the league and everyone wanting to host games it is quite the task to schedule all 81 teams across 5 divisions and ensure there are no conflicts!

Home games have been priority #1 for our organization and it is looking like we will be able to fulfill this promise! We have been told to expect to host a lot of home games this year! **Hosting games requires a lot of volunteer help from parents and family members for setting up the field, running the chain crews, concessions and end of day cleanup. We can't pull this off without your help!**

If you are interested in helping out in anyway please email us at amherstjrcomets@gmail.com! The more help we have the easier these days will be on everyone and will continue to make our community great!
